CENTURY COURT COMMUNITY POLICIES EXHIBIT A

WELCOME TO CENTURY COURT, the unique residential community for students at Collin College. This property is only for residents who appreciate a beautiful environment and the convenience of on-campus living, and who will make a strong commitment to caring for the community in which they live. The cleanliness, beauty, and enjoyment of the property will be enhanced if you will speak up whenever you observe a thoughtless act, unsafe condition, or questionable person on the grounds. The community will be governed by the rules of common courtesy and common sense.

You must follow the **STUDENT CODE OF CONDUCT** of the College. *By enrolling at the College a student neither loses the rights nor escapes the responsibilities of citizenship. All students are expected to obey federal, state and local laws, the rules and regulations of the College and directives issued by an administrative official in the course of his/her duties. A student who enrolls at the College is charged with the obligation to conduct himself/herself in a manner compatible with the College's function as an educational institution; consequently, conduct which interferes with the use or utilization of College facilities by other persons may be punished regardless of whether such conduct is specifically proscribed by the provisions of the Student Code of Conduct.* **APPEALS** may first be addressed in writing to the on-site Manager. If you are unsatisfied with this decision a written appeal may be forwarded to: Student Housing Foundation Chair, Century Court, 5800 Jupiter Rd., Plano, TX. 75074.

SAFETY

S1. SECURITY - It is not possible for any property owner or manager to insure "security" or "safety." However, Century Court does have safety features, including video camera surveillance. The Plano Police Department and Collin College Campus Police provide police services in the Project from time to time at their sole discretion. You should not assume their presence. We believe in the effectiveness of neighbors looking out for each other and we encourage residents to get to know their neighbors. You must promptly report any incident of theft, vandalism, or unsafe conditions to the Plano Police and our office. Whenever possible, please furnish a detailed description of the offender, date and time of day, make and color of car, license plate number, etc. Please call 972-509-0247 during office hours, and 214-680-9699 after hours for non-emergencies and 911 to report any emergency. We will support your vigilance and will, where appropriate, prosecute acts of vandalism, trespassing, and theft.

S2. ACCESS TO THE PROJECT - Access to the Project is limited to you and your invited guests. While on the Project your guests are expected to comply with the same Community Policies as our residents. Access to the Project is not actively monitored by Century Court staff; however, Century Court reserves the right to request your guests to leave if they are not compliance with our Community Policies and the local, state and federal laws.

S3. VIDEO SURVEILLANCE - The community is equipped with a number of Closed Circuit TV cameras. These cameras have been installed for the purpose of recording events for later viewing. The cameras are NOT monitored and are NOT installed for the purpose of stopping an event in progress. You should always protect yourself by always being aware of your surroundings and by being alert for dangerous circumstances. Further, since the cameras and recording equipment are mechanical and require the involvement of humans, they may not always be working properly due to mechanical or operator problems. Do NOT rely upon these cameras in any way for any purpose.

S5. PERSONAL SECURITY TIPS

PERSONAL SECURITY – WHILE INSIDE YOUR UNIT

- Lock your doors and windows, even while you're inside.
- Use deadbolt locks on the doors while you're inside.
- When answering the door, see who is there by looking through a window or peephole. If you don't know the person, first talk with him or her without opening the door. *Don't open the door if you have any doubts.*
- Don't put your name, address or phone number on your key ring.
- If you're concerned because you've lost your key or because someone you distrust has a key, ask us to rekey the locks. You have a statutory right to have that done. You will pay \$35.00 for the rekeying.
- Dial 911 for emergencies. If the 911 number does not operate in your area, keep phone numbers handy for the police, fire and EMS. If an emergency arises call the appropriate governmental authorities first, and then call us.
- Check your smoke detector monthly for dead batteries or malfunctions.
- Check your door locks, window latches, and other security devices regularly to be sure they are working properly.
- Immediately report the following to us in writing, dated and signed.
 - Any need of repairs of locks, latches, doors, windows and smoke detectors and
 - Any malfunction of other safety devices outside your dwelling, such as broken gate locks, burned-out lights in stairwells and parking lots, blocked passages, broken railings, etc.
- Close curtains, blinds and window shades at night.
- Mark or engrave identification on valuable personal property.

PERSONAL SECURITY – WHILE OUTSIDE YOUR UNIT

- Lock your doors while you're gone. If you have them, lock your door handle lock, keyed dead bolt lock, sliding door pin lock, sliding door handle latch and sliding door security bar.
- Leave a radio or TV playing softly while you're gone.
- Close and latch your windows while you're gone, particularly when you're gone for an extended period.
- Tell your roommate where you're going and when you'll be back.
- Don't walk alone at night.
- Don't hide a key under the doormat or a nearby flowerpot. These are the first places a burglar will look.
- Use lamp timers when you go out in the evening or go away for an extended period. They can be purchased at most hardware stores.
- Let us and your friends know if you'll be gone for an extended time. Ask your neighbors to watch your Unit since we cannot assume that responsibility.
- While away for an extended period, have your newspaper delivery stopped, or have a friend pick up your newspaper daily.
- Carry your door key in your hand, whether it is daylight or dark, when walking to your entry door. You are more vulnerable when looking for your keys at the door.

PERSONAL SECURITY – WHILE USING YOUR CAR

- Lock your car doors while driving. Lock your car doors and roll up the windows when leaving your car parked.
- Don't leave exposed items in your car, such as cassette tapes, wrapped packages, briefcases or purses.
- Don't leave your keys in the car.
- Carry your key ring in your hand while walking to your car, whether it is daylight or dark and whether you are at home, school, work or elsewhere.
- Try to park your car in an off-street parking area rather than on the street. If you park on the street, park near a streetlight.
- Check the backseat before getting into your car.
- Don't stop at gas stations or automatic teller machines at night, or anytime when you suspect danger.

PERSONAL SECURITY AWARENESS

No security system is failsafe. Even the best system can't prevent crime. Always proceed as if security systems don't exist since they are subject to malfunction, tampering and human error. We disclaim any express or implied warranties of security. The best safety measures are the ones you perform as a matter of common sense and habit.
